May 2008

Thesis title: Differential information economies and incomplete markets.

WORK EXPERIENCE

Commissioned research

August 2025-Oct 2025

The Scottish Parliament

Produced a report describing the regulatory framework and use of public inquiries in Norway and Sweden in 1990-2024.

Postdoctoral Researcher

January 2023-December 2025

Syracuse University, Martin J. Whitman School of Management

Formal affiliation continues through Spring 2026. Conducted research on Covid-19 scientific advisory committees and public inquiries.

Postdoctoral Research Associate in Experimental Political Economy

March 2022-January 2023

University of Pittsburgh, Department of Political Science

Instructor/Teaching assistant,

Fall 2014, Spring 2016, Spring 2017

University of Pittsburgh, Department of Political Science

Media and Politics (Instructor), Research Methods (TA), Introduction to Comparative Politics (TA), Introduction to American Politics (TA).

Summer Intern/Research assistant, University of Pittsburgh

Summer 2012

University Center of Urban and Social Research (UCSUR)

Collected demographic and University related statistics; researched methods used in conducting economic and social impact studies; drafted the initial version of the annual economic and social impact study.

RESEARCH INTERESTS

My research focuses on the political economy and politics of expert advice in multiple institutional contexts: legislative, judicial and crisis policymaking. In addition, I am working on formal models and lab experiments on ranked-choice voting, campaign finance and bundled elections, as well as topics related to public inquiries. I use various research methods including game theory, statistical models, comparative case studies, and laboratory and survey experiments.

ACADEMIC PUBLICATIONS
